Subject Index

Appreciation to Reviewers
Fall, p. vii.

Book Reviews
Crack cocaine: a practical approach for the chemically dependent. Summer, pp. 169-170.
Dimensions of state mental health policy. Fall, pp. 294-295.
Handbook of mental health and mental disorder among black Americans. Fall, pp. 292-293.
Handbook on mental health policy in the United States. Winter, p. 74.
Quality care in mental health: assuring the best clinical services. Summer, p. 171.
Social work administration: dynamic management and human relationships. Winter, p. 73.
The mental health professional and the legal system. Summer, pp. 167-168.

Dual Diagnosis
Dual diagnosis among older adults: a new array of policy and planning problems. Winter, pp. 43-50.

Education/Schools
Mental health facets of the school-based health center movement: need and opportunity for research and development. Fall, pp. 272-283.
The social maladjustment exclusion in educational policy: implications for multiagency coordination of services. Winter, pp. 35-42.

Elderly
Dual diagnosis among older adults: a new array of policy and planning problems. Winter, pp. 43-50.

Evaluation
Focus group: implications for program evaluation of mental health services. Summer, pp. 148-153.

Financing Services
Benefit flexibility, cost shifting and mandated mental health coverage. Fall, pp. 264-271.

Forensic Mental Health Services
A model for the provision of jail mental health services: an integrative, community based approach. Fall, pp. 209-222.
Administrative issues in the follow-up treatment of insanity acquittees. Fall, pp. 242-252.
Designing conditional release systems for insanity acquittees. Fall, pp. 231-241.
Goals to guide the interactions of the mental health and justice systems. Fall, pp. 178-197.
Increasing the coherence of forensic mental health services: an introduction. Fall, pp. 175-177.
Pre-trial evaluations for criminal courts: contemporary models of service delivery. Fall, pp. 198-208.
The designated forensic professional program: a state government–university partnership to improve forensic mental health services. Fall, pp. 23-230.

HIV
Early HIV detection: a community mental health role. Winter, pp. 21-26.

Information for Authors
Fall, pp.301-302.
Summer, pp. 173-174.
Winter, pp. 75-76.

Level of Functioning
A summary measure of client level of functioning: progress and challenges for use within mental health agencies. Summer, pp. 80-87.
Client typology based on functioning level assessments: utility for service planning and monitoring. Summer, pp. 101-115.
Issues in the assessment of client level of functioning in mental health: an introduction. Summer, pp. 77-79.
The community competence scale as a measure of functional daily living skills. Summer, pp. 128-134.
The utility of level of functioning to characterize community residential settings. Summer, pp. 116-127.
Uses of an empirically derived client typology based on level of functioning: twelve years of the CCAR. Summer, pp. 88-100.

Managed Care
How mental health providers see managed care. Fall, pp. 284-291.

Management
Data and decisions: can mental health management be knowledge-based? Winter, pp. 12-20.
Total quality management strategies in mental health systems. Fall, pp. 284-291.

Mental Health Services
A Canadian model for developing mental health services in rural communities hrough linkages with urban centers. Summer, pp. 135-142.
Mental health crisis in California. Summer, pp. 154-164.
Response to mental health crisis in California. Summer, pp. 165-166.

Policy
A method for employee participation in the policy development process. Winter, pp. 60-63.
Dual diagnosis among older adults: a new array of policy and planning problems. Winter, pp. 43-50.
The social maladjustment exclusion in educational policy: implications for multiagency coordination of services. Winter, pp. 35-42.
Toward a smoke-free policy in mental health facilities. Winter, pp. 69-72.

Rehabilitation
Effectiveness of technical assistance in the development of psychiatric rehabilitation programs. Winter, pp. 1-11.
Organizations in community living: supporting people with disabilities. Winter, pp. 51-59.

Residential Treatment
Reliability of an observational system used to monitor behavior in a mental health residential treatment unit. Winter, pp. 64-68.

Service Utilization
Prediction of use of psychiatric services: application of the CART algorithm. Winter, pp. 27-34.

Smoking
Toward a smoke-free policy in mental health facilities. Winter, pp. 69-72.

Workplace
Bringing the abusive employee back. Summer, pp. 143-147.
